

## Committed 2 Excellence

### Superintendent's Message:

***"It is time to get our students back in school!"***

Chowchilla Elementary School District prides itself on its "Commitment 2 Excellence," a culture we have developed through focusing on the health, academics and safety of our students. Through a concerted effort between Federal, state and local health officials, we have developed a phased re-opening schedule built from the State's guidelines for resuming in-person instruction.

**On March 8, 2021**, Chowchilla Elementary is scheduled to begin a **phased re-opening** of our TK thru 6<sup>th</sup> schools on a Hybrid Model. **Please regularly check your Parent-Square for updates!**

**March 8, 2021**

Grades TK-K, 3<sup>rd</sup> and 5<sup>th</sup>

**March 15, 2021**

**Add Grades** 1<sup>st</sup>, 2<sup>nd</sup>, 4<sup>th</sup>, and 6<sup>th</sup> to complete a full TK thru 6<sup>th</sup> Grade Re-Opening

*-Wilson Middle School will Remain Closed-*

The District has implemented extensive safety procedures aimed to mitigate, not eliminate risk. No single action or set of actions will completely eliminate the risk of COVID-19 transmission, but implementation of several coordinated interventions can greatly reduce that risk. Through teamwork with our families, staff and students, we hope to stay open by adhering to the safety procedures.

While we hope that these health and safety measures provide some peace of mind, we must remain flexible and adaptable to the potential starts and stops associated with reopening schools. We will also continue to offer a Virtual Learning option throughout our phased reopening of the 2020-2021 school year because we believe parents deserve choices in their child's education.

I would personally like to thank all of our families and each of our staff members for working diligently to ride the waves of uncertainty since the pandemic began. Your steadfast commitment to our students has demonstrated true collaboration, kindness and adaptability; characteristics we hope to instill in our students.

Sincerely,

*Dr. Charles Martin*
