Dear Reagan Families,

More than half of the school year has passed, and I am thrilled about all of the great things that are taking place at Reagan. On Friday, March 13th we will also be taking over 50 students to the Peach Blossom Festival at Fresno State University. The students participating in Peach Blossom worked extremely hard to memorize their poems. I'm thrilled about this opportunity for our students and I know those who participate are going to love it.

Daily life at Reagan is quite busy. We are academically focused, but also are working hard to create an atmosphere which is fun and engaging for the students. Our goal is to help the students who walk through our gates obtain the tools necessary to help them have a thriving academic future as well as the character and resolve to be productive members of society. We appreciate your partnership as we move forward with this endeavor.

Sincerely,

Mrs. Melissa Esquivel

Principal, Ronald Reagan Elementary
